EXCURSIONS

Metro And Red Square By Night

 3:00 Hrs

Often cited as the most beautiful subway system in the world, Moscow's grandiose Metro stations are decorated with mosaics, stained glass and bronze statues. They're also one of the few remaining places featuring Communist iconography. We'll finish our guided visit with a walk through Red Square, where the evening illuminations should provide enviable photo opportunities.

Kuskovo estate

 4:00 Hrs

Ensemble Kuskovo, originally owned by the Sheremetev family, as a specimen of a typical 18th century Moscow region residence. The estate was designed as a site for receptions, celebration and other festivities. More than 20 unique monuments of architecture with genuine interiors have been presented including a Dutch House, an Italian House, a Grotto, Greenhouses, others.

Another point of interest in Kuskovo Estate is the only regular French park to have survived in Moscow. There are ponds, canals and Russian and Italian sculptures in it.

The centerpiece of the estate is the Palace residence. Especially interesting is the original planning and ornaments of the interior. This includes superb works of Russian and European art, decorative arts and crafts and unique collection of 18th century paintings, primarily portraits of Russian emperors and several generations of the Sheremetev family.

Old Arbat street + metro

 3:00 Hrs

Your guide will take you to the Old Arbat street, famous for its architectural masterpieces and souvenirs. This street became a favorite place of walk of the Muscovites. You will see many improvised shows, poets and entertainers. After the guided tour you will have some free time to browse among the shops selling merchandise and enjoy various Arbat cafes or restaurants.

We then shall proceed to visit the monument to the Soviet era: the Muscovite metro. During our guided tour we will explore the most sensational underground stations where the guide will show architectural masterpieces and also explain the history of metro construction.

Pushkin Museum

 4:00 Hrs

The Pushkin State Museum of Fine Arts is a museum complex that is currently in possession of one of the largest world art collections from Ancient Egypt and Greece to our days. Today the holdings of the museum contain around 700 000 art works of different epochs. The jewel of the collection is French art of the XIX – XX centuries – one of the most famous collections of Impressionist and Post-Impressionist paintings in the world.

Treasures of the Tsars

 4:00 Hrs

You'll have a opportunity to enjoy a guided tour to the Treasure Chamber of the Russian Tsars - one of the most important museums in Russia due to its unique collection. You'll see priceless Faberge eggs and Catherine the Great's diamonds and many gowns. You'll also discover the Imperial carriages, which are studded with precious stones and gold; coronation thrones; and other one-of-a-kind items from the Romanov Dynasty.

Izmailovo Kremlin & the Vernissage

 3:00 Hrs

Experience the vibrant architecture of Moscow during a 3 hours tour of the Izmailovo flea market and the Izmailovo Kremlin.

Brimming with museums. Galleries and regal palaces, the area is colourful cultural hub that provides ample photo opportunities. Walk around stalls selling Russian crafts, culinary specialties, and antiques. Admire the architecture of the Kremlin and the Tsar's Palace. A "one-of-a-kind" experience.

The State Historical Museum

 3:00 Hrs

The State Historical Museum is situated in the heart of Moscow, in Red Square. It is a symbol of Moscow like the Kremlin and Saint Basil's Cathedral.

The Museum's exposition, which is housed in 40 rooms, covers not only a thousand years of Russian history but also history of north-eastern Eurasia civilizations from the early Paleolithic Age to present.

The Museum was officially established in 1872 by a personal decree of Emperor Alexander II and it was opened for public in 1883, on the coronation date of Emperor Alexander III after whom the Museum was named since 1894 till 1917.

Mosfilm - Leading Soviet/Russian Movie Studio

 5:00 Hrs

If you are interested in the process of making movies you'll be unforgettably impressed with the Mosfilm movie studio tour. We invite you to visit one of the largest movie production companies in the world - famous Mosfilm studio. During the Soviet time, "Mosfilm" has filmed more than 2,500 movies, many of which are now considered a part of the golden fund of world cinematography and have won several awards at different film festivals. All of the most famous Soviet films that will forever remain a symbols of Soviet Russia have been filmed at this studio.

The Tretyakov Gallery

 4:30 Hrs

The Tretyakov Gallery is the main museum of Russian national art, reflecting its unique contribution to world culture. It is a hospitable museum that is known for its rich collection and variety of presented ideas.

The gallery's history starts in 1856, when the Moscow merchant Pavel Mikhailovich Tretyakov acquired works by Russian artists of his day with the aim of creating a collection, which might later grow into a museum of national art. In 1892 Tretyakov presented his already famous collection of approximately 2000 works (1362 paintings, 526 drawings, and 9 sculptures) to the Russian nation.

The facade of the gallery was designed by the painter Viktor Vasnetsov, in a peculiar Russian fairy-tale style. It was built in 1902-1904 to the south of the Kremlin. During the XX century the museum expanded to several neighboring buildings, including the XVII century church of St Nicholas in Tolmachi

Ostankino TV-Tower and VDNKh

 4:00 Hrs

Ostankino TV-Tower is the highest tower in Europe, its height is 540 meters. You will visit an exciting exposition of history of the Tower, then move to a 337 observation floor with a high speed elevator where you will see amazing view through the panoramic windows and the most fearless can step on a glass floor.

Neighbouring cities: Vladimir & Suzdal

 8:00 - 10:00 Hrs

Vladimir is ancient Russian city and one the Russia Golden Ring cities. The city situated on the high bank of the Klyazma river amazes with its size and beauty, magnificent golden-domed churches and buildings. A huge number of the architectural monuments in the city made it one of the largest tourist destinations of Russia.

Vladimir city tour consists of sightseeing of such place as Golden Gate - the symbol of the city. During city tour you'll also visit the Dmitrievsky Cathedral and the Uspensky Cathedral. They were founded in the 12th century and resisted Tatar-Mongol invasion. After lunch in local restaurant we shall visit Suzdal Suzdal is often referred to as an open-air museum due to its beautiful architecture and unspoiled provincial landscapes which are in UNESCO list of world heritage. For this reason it is one of Russia's most well-trodden tourist destinations and a popular day trip from Moscow, all year round.

Museum of the Cold War

 3:00 Hrs

We invite you to visit the former top secret command centre of the Russian Armed Forces recently converted into museum of the Cold War period. It is the newest museum opened in Moscow. After entering a regular building in a quiet central street of the city and a ride on a rapid elevator 65 meters under the ground you will see a real top secret military facility of the USSR. During a guided tour you will pass through the secret tunnels, see samples of communication equipment and firearms. You will also learn about the construction of the secured post, about its life and functioning during the Soviet period.

* La duración es aproximada. Las excursiones panorámicas no incluyen entrada a ningún museo y/o atracción. A destacar que los servicios de los guías comienzan desde encuentro en el vestíbulo del hotel, y el recorrido hasta los puntos de interés se considera tiempo de la excursión.
